Subject: Tours & Treks by Eduventure Club of the School

Dear Parents,

Greetings from The Mann School!

You will be glad to know that this school is bringing newer experiences to your wards every year so that they go on improving their knowledge and make their personalities richer. Similarly some students went this year on tour to USA- NASA for 10 days. The school has been giving exposure to students to visit other countries in an Exchange Program where a batch of students visited Germany for 10 days.

Tours and Treks are an integral part of the boarding schools and this helps in personality development, exposure, and entertainment etc. of a student. Tours and Treks are compulsory for all the Boarders. Like every year the **Eduventure Club** of the school is organizing Educational tours & treks as per the details given below:

The students will stay on the campus. Pre-Board/2nd Terminal Examinations for classes NUR to XI will be conducted from 14th to 25th January 2019. This will help the students to cover up the time spent in other activities and assess their performance and prepare accordingly for the final exams.

You are requested to send the consent by August 13, 2018 as the reservation for the same need to be made.

Co-operation from the parents for the above is solicited.

With warm regards
