

Sub: Circular for the New Academic Session

Dear Parents,

Greetings from The Mānn School!

As we begin the new academic session, I extend my heartfelt gratitude for your continued trust and partnership. At The Mānn School, we remain committed to nurturing confident, responsible, and future-ready individuals through a balanced and holistic approach to education.

The session has commenced smoothly, and it is heartening to see students stepping into their new grades with enthusiasm and renewed purpose. I warmly welcome all new students and parents who have joined the Mānn School family and assure you of our unwavering support in ensuring a smooth and enriching transition.

At our school, education goes beyond textbooks and examinations. While academic excellence continues to remain a strong foundation, equal emphasis is placed on developing critical thinking, creativity, communication, and character. Our students consistently demonstrate commendable performance not only in board examinations but also in various competitive platforms, reflecting a culture of academic rigour and intellectual curiosity.

We continue to provide our learners with opportunities that broaden their horizons through exposure to national and international platforms, interdisciplinary learning, and career guidance initiatives. Early engagement with global universities, emerging career pathways, and skill-based programmes ensures that students are well-prepared to navigate an evolving world with confidence.

Technology remains an integral part of our teaching-learning process. With the integration of digital platforms, innovation programmes, and modern pedagogical practices, students are equipped with essential 21st-century skills such as problem-solving, adaptability, and digital literacy.

Holistic development is at the heart of our philosophy. Students are encouraged to actively participate in sports, performing arts, leadership platforms, and community engagement programmes. These experiences play a vital role in building resilience, teamwork, empathy, and self-confidence—qualities that are essential for lifelong success.

We request parents to continue supporting the school in maintaining discipline and consistency in routines. Regular attendance, punctuality, and adherence to school guidelines are crucial for effective learning. Students are strictly not permitted to carry mobile phones, smart watches, or any electronic gadgets to school. Any such items, if found, will be confiscated for good.

We also encourage parents to ensure that their wards make effective use of the school's learning platforms and maintain a balanced routine that includes academics, physical activity, and adequate rest.

Your active participation in PTMs, workshops, and school programmes is invaluable. A strong partnership between school and home significantly enhances a child's growth and development, and we look forward to your continued engagement.

Fee Schedule (Day Scholars)

Parents are requested to adhere strictly to the fee schedule:

- 10th April
- 10th July
- 10th October
- 10th January

Account Details:

As we move ahead, we reaffirm our commitment to providing an environment that is academically enriching, technologically advanced, and focused on the overall development of every child. Together, let us continue to inspire our children to explore their potential and grow into capable and compassionate individuals.

Looking forward to a fulfilling and successful year ahead.

With warm regards,

S. Sriram

Principal
